CLMA040 - Clarification No. 1

This Clarification No. 1 is in response to questions received stemming from the Pre-Response Meeting held on September 10, 2021.

Clarification No. 1

Question 1: Can we solicit for 7 days with a proposal deadline of September 29 prior to our submission on October 11? This would allow us time to review and negotiate if necessary. Please advise.

Answer 1: As long as subcontractors have 7 days to respond, you can solicit however early you want to prior to submission. Yes, the proposed timeline is acceptable.

Please remember this solicitation is currently in a "No Contact" period and all inquiries should be directed to the appropriate contact persons listed in the solicitation. If you have questions regarding this process and project related questions, you may contact Tracy Franklin at tracy.franklin@austintexas.gov or (512) 974 7057.
